

Who Should Attend?

Owners, project managers, estimators and any employee involved in managing projects.

Why Attend?

- Learn tangible tools to improve profitability, productivity, quality and customer satisfaction.
- Experience real-world applications through interactive, project management courses and contractor case students.
- Obtain management tools that will positively impact their company.

“I have attended multiple ABC educational programs in the past, so there was a high bar for PMI. This program exceeded my expectations and I’d encourage, any project manager or estimator to attend.”
 -Attendee Testimonial
